

Flexible Spending Account

Take advantage of intelligent, seamless, and user-friendly FSAs from WEX.

What is a Flexible Spending Account (FSA)?

A flexible spending account (FSA) helps participants save on out-of-pocket qualified medical, dental, and vision expenses, or qualified dependent care expenses.

Flexible Spending Accounts (FSAs) from WEX

No matter what type of FSA you need, you can find it from WEX.

Medical FSA

A medical FSA covers general-purpose health expenses and can be used for qualified expenses such as prescription drugs, insurance copayments and deductibles, and medical devices.

Dependent Care FSA

A dependent care FSA helps participants save money on eligible dependent care services, such as child (up to age 13) or adult daycare, before or after school programs, summer day camp, and more!

Simplify Your Experience

ONE debit card for all your FSA accounts.

No matter if you are enrolled in a the Medical FSA or Dependent Care, you only need ONE debit card because the WEX technology can pull from the right account based on your purchase. Plus, you can even add their debit card to their mobile wallet to take advantage of contactless payment options.

ONE online account to access your Medical FSA or Dependent Care accounts.

No more jumping from screen to screen (and having to remember multiple logins) to keep track of multiple benefit accounts. With WEX, you only need one online account to manage your Medical FSA or Dependent Care.

ONE mobile app to access your benefits on-the-go.

We manage almost all aspects of our lives from the palms of our hands. The WEX benefits mobile app was built with that in mind, and includes a consistent, simple, and modern experience. And when you're using a desktop, you can expect the same user-friendly experience.
