Challenge Overview

This challenge offers a chance for you to explore mental health, engage in self-care and mindfulness activities, and discover resources for seeking personal support or assisting others facing challenges. The challenge begins on April 1 and ends on June 28 at 12pm. You will earn Wellable Points for being physically active while practicing daily self-care activities and mindfulness challenges.

The impact is even stronger with an accountability partner so during this challenge you can work in teams of two. Together, you can motivate each other through obstacles, celebrate successes, and stay dedicated to mental well-being.

There are two ways to win this quarter:

Standard Reward Structure

In the Wellable app, incentive points are earned for activities and healthy behaviors completed. Points earned by June 28 will determine the tier and payout on your paycheck. **You do not need to register with a teammate to earn your incentive reward.**

Tier	Points Earned	Reward
0	0 - 4,999	No reward
1	5,000 - 9,999	\$50.00
2	10,000 or more	\$100.00

Incentive money will be issued at the end of each quarter under the earnings section titled WELL.

Grand Prizes

To be eligible for a grand prize, you will need to form a 2-person team. **Teams are ranked by the average number of Wellable Points for all members of that team.**

The team who averages the most Wellable Points at the end of the challenge will be crowned the Mental Health Matters Challenge champions and win a cash prize to be split equally! Two additional team-based raffles will be held for another \$250 cash prize! **If you do not register and participate with a teammate, you will not be eligible for the additional cash prize**

Top Team - \$250 cash prize

Top 10 Teams Raffle - \$250 cash prize

All Participating Teams Raffle - \$250 cash prize

It is essential to note that any remuneration disbursed to our team members is subject to taxation as outlined by the IRS website.

Team Registration

In order to register a team, you must have a team name and the Wellable Username (email address associated with your Wellable app) of each team member. Teams cannot have more than two members. To register your team and compete for the \$250 cash prizes, please follow the instructions below.

Find a friend to be your accountability partner!

Determine a team name. Humor and creativity is encouraged but please make it work appropriate!

Have one person register your team using [this link](#) - signing into your account may be required. Registration will require each teammate's Wellable Username (email address).

Registration will take place April 1 – 12 at 11:59pm. Your team must be registered by the morning of April 15th to participate in the team portion of the challenge. (Please note - You will still accumulate points during the registration period)

- *Teams are ranked by the average number of Wellable Points for all members of that team. This means that teammates with zero Wellable Points during a challenge will lower the score of the entire team.*
- *Email welltogether@augustahealth.com by April 10th for help finding an accountability partner.*
- *Adding and/or removing members of your team will not be allowed after the registration period is over unless a team member joins or leaves the organization.*
- *Leaderboard defaults to team rankings, but individual and team views are available in the options menu.*
