Frequently asked questions

What is my AD&D benefit?

We will pay your beneficiaries an Accidental Death insurance amount that differs from your Basic Life insurance amount, if you die from a covered accident. Additional benefits are available for accidental injuries (i.e., dismemberment) such as loss of limbs, fingers or sight. Refer to your Certificate for a full list of covered accidental injuries.

Can I take my insurance with me if I leave my employer?

Depending upon state variations and your employer's plan, you may have an option to continue group coverage when your employment terminates. Your employer can advise you about your options.

Can I access my life insurance if I become terminally ill?

You may apply to receive a portion of your life insurance to help cover medical and living expenses. This is called an "Accelerated Benefit" and there are some important things to know about it, including that it is not long-term-care insurance, it may be taxable and it may affect your eligibility for public assistance programs. It will also reduce the total amount of the life insurance payment we pay to your beneficiary(ies).

What happens if I become Totally Disabled?

If we determine that you are Totally Disabled and cannot work, your life insurance coverage may continue at no cost. You must meet certain requirements, as detailed in the Certificate.

How does my beneficiary file a death claim?

Your beneficiary(ies) and your employer will complete the appropriate claims forms and submit them to us. We will notify your beneficiaries when the decision is made and if we have any questions. If approved, beneficiaries may elect to receive a lump sum payment or to have the benefit paid into an account where the funds accumulate interest and can be withdrawn at any time. (State restrictions apply and options may vary by state.) If your AD&D claim for an accidental injury is approved, the benefit amount will be paid directly to you.

Refer to the Certificate for details.

Limitations and exclusions

The below exclusions and limitations may vary by state law and regulations. This list may not be comprehensive. Please see the Certificate or ask your benefits administrator for details.

Life

In some states, your employer's group policy may exclude payment for suicide that occurs within a specific time period after the insurance or increase in insurance becomes effective. Please see your Certificate for details.

Accidental Death and Dismemberment
