*We have established a high maximum for physical activity points (1,000 daily) so participants can receive credit for all the effort they put in. That said, consistently reaching the maximum each day is outside the typical range. If you are maxing out your physical activity points daily, we may reach out to learn more about how you're achieving that level of activity.*

*When manually entering physical activity points, please make sure your entries reflect our Augusta Health values. Thank you for your honesty and for all the hard work you're putting in!*

# Preventative Care Points

Preventive health care refers to the actions you take (before you get sick) to stay healthy. So why should you visit the doctor when you're healthy? The simple answer is that preventive care stops illness before it starts, reducing your risk of developing diseases and chronic conditions! *Please note: Attestation forms can be submitted at any time during the year, as long as the exam was completed in 2026. You are not required to submit your forms in the same quarter the exam was completed. Additionally, activities that occur twice per year cannot be submitted within the same quarter.*

## Gratitude Wall - 300 Points

Gratitude plays a powerful role in stress management by helping us refocus and find moments of peace amid the chaos. Whether it's taking a moment to appreciate a kind gesture, a beautiful sunset, or a small win in your day, practicing gratitude can shift your mindset and calm your stress. We know life can feel overwhelming, so we want to encourage you to incorporate gratitude into your daily routine. **Stop by the Gratitude Board at the Blue Ridge Café and share something you're thankful for.** As you pass by throughout the day, let it be a gentle reminder to pause, reflect, and appreciate what brings you joy.

*Virtual and offsite employees, please use [this link](#) to submit your gratitude message - code is in the title of the whiteboard. If you are onsite and able to write on the board in person, please add your message there instead.*

## Press Play to Recharge - 250 Points

Music is one of the easiest - and most powerful - ways to relieve stress and recharge after a long day. So let's create a playlist featuring the songs our Augusta Health team members turn to when they need to reset. Whether it's calming instrumentals, throwback hits, country classics, or upbeat pop - if it helps you unwind, we want to hear it.

Email your song choice(s) to [welltogether@augustahealth.com](mailto:welltogether@augustahealth.com) by June 30, and we'll add them to a collaborative Spotify playlist for everyone to enjoy. As a thank you, participants will earn **250 Wellable points** and be entered to **win 1 of 2 \$50 Amazon gift cards**.

*Please note: Songs containing explicit or offensive language will not be added to the playlist.*

## 30 Days of Stress Relief - 1000 Points

Stress happens - but it doesn't have to run the show. This [30-day challenge](#) helps you unplug, reset, and feel calmer with simple, science-backed activities. Try one soothing practice a day—meditation, gentle movement, breathing, whatever works. No perfection needed, just show up. Ready to calm your mind and body? Let's get started.
